Public School District 2018-19 Cycle FAFSA Completion Rates for Idaho

Please refer to <https://studentaid.id.gov/sa/about/data-center/student/application-volume/fafsa-completion-data> for details on the data and <https://studentaid.id.gov/sa/about/data-center/student/application-volume/faq> for frequently asked questions. Graduation rates are estimated using the most recent Regulatory Adjusted Cohort Graduation Rate multiplied by the largest reported enrollment for this cohort beginning in the 9th grade (<http://nces.ed.gov/ipeds/data/ipedsdata/codd/codd.asp>).

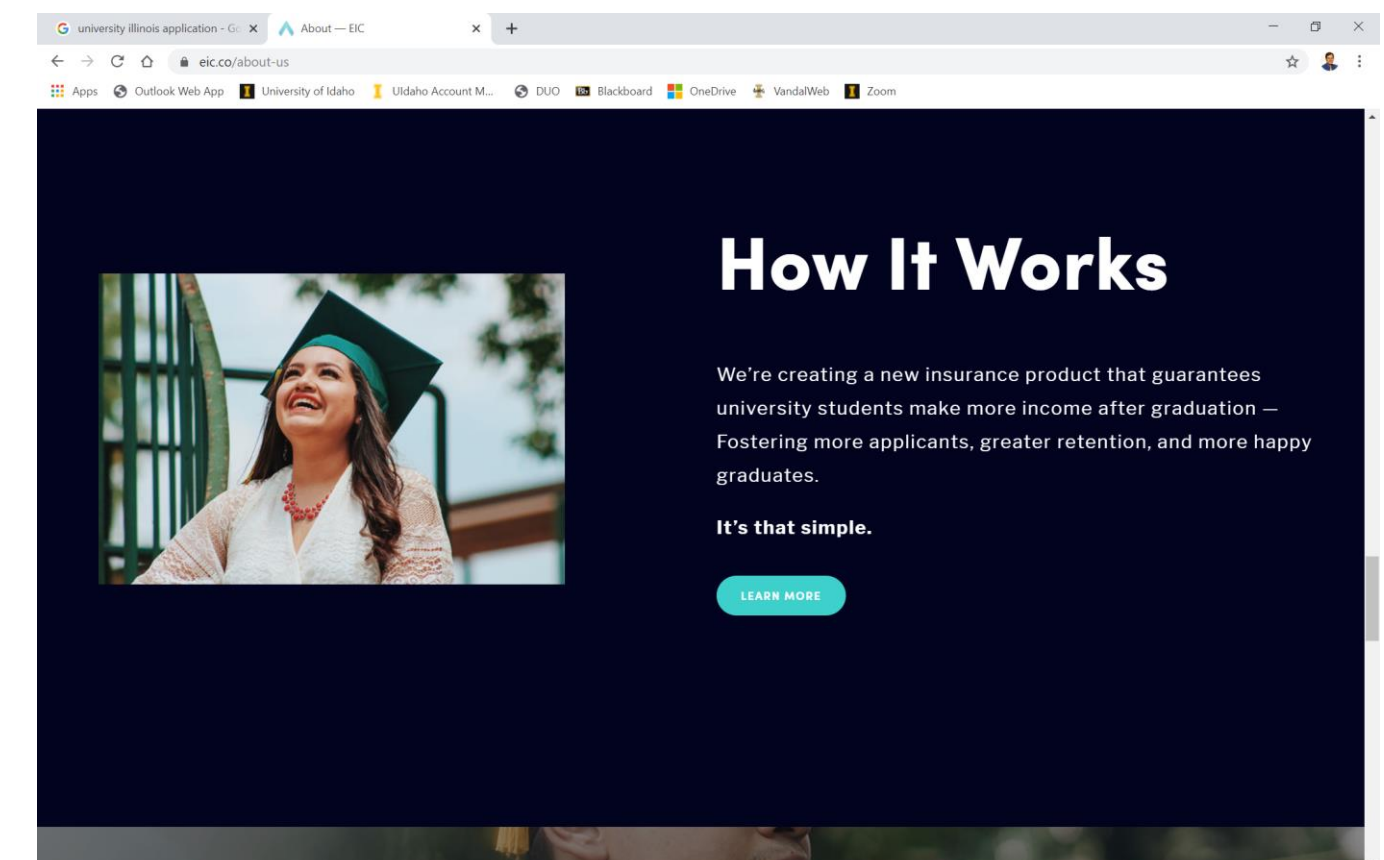

High School Go On by County

Map Displays the percent of of high school graduates who enrolled in Postsecondary within the timeframe specified. If a recent High School Cohort is selected, some of the the Timeframe of Enrollments will not have had enough elapsed time and will display the same result as the shorter Timeframe (i.e. Fall Immediate and one year on students that just graduated last spring will display same results until Spring data is loaded. * Uses first enrollment, so if a student goes one semester in state and then goes out of state, they will be counted as In State. Colors based on ranges of Go On %.
